Bachelor of Information Technology

University of Mumbai University

📅 2009 - 2012 📍 Mumbai, India

MY TIME

EXPERIENCE

Python Developer / Data Analyst

Tata Consultancy Services

📅 2016 - Ongoing 📍 Mumbai, India

- Planned developed, tested, developed and maintained websites. Provided effective troubleshooting and remediation for web applications.
- I took a position which combined two roles - Python developer and Scrum developer for a team of 8 people
- Developed dynamic and interactive website that ensured high traffic, page views, and user experience, resulting good revenue.

CMS Developer

Eclerx Services Ltd

📅 2013 - 2016 📍 Mumbai, India

- Created HTML markup templates, updated and modified existing CSS code and maintained HTML content on a daily basis.
- Used JavaScript when developing page navigation, form validation, time and date stamps.
- Managed website links to videos and interactive media through constants. Designed and updated pages on the share location website and department intranet and processed data in content manage system.
